

DAILY SCRUM SCORECARD

ITEMS	DESCRIPTION	DETAILS
Yesterday's accomplishments:	Team members can briefly discuss what they completed the previous day and whether they accomplished their goals.	
Today's plans:	Team members can share what they plan to work on today and what support they may need from others.	
Obstacles:	Team members can discuss any roadblocks or challenges they are facing and how they plan to overcome them.	
Progress updates: (If any)	Teams can give an update on the progress of their sprint goal and the status of their user stories.
